Crime Reporting System Form

Login form

The screenshot shows a web browser window with the URL `localhost/127.0.0.1/crime_report`. The page title is "Crime Reporting System". The navigation bar includes links for Home, Login, Register, and Report Crime. The main content area displays a "Login" form with the following fields:

- Enter Email
- Enter Password
- Login button

Crime Reporting system form

The screenshot shows the same web browser window, but the URL is `localhost/127.0.0.1/crime/index.php`. The page title is "Crime Reporting System". The navigation bar includes links for Home, Login, Register, and Report Crime. The main content area displays a "Report Crime" form with the following fields:

- Incident Title
- Describe Incident
- Incident Location
- Choose File (No file chosen)
- Submit Report button

Database form

The screenshot shows the phpMyAdmin web interface. The left sidebar displays the database structure, including 'crime_reporting_system', 'reports', 'users', 'hello.php', 'information_schema', 'mysql', 'performance_schema', 'phpmyadmin', 'test', and 'userdb'. The main panel shows the 'users' table with the following data:

id	fullname	email	password	created_at
1	Peter Shemaya	petershemaya@gmail.com	\$2y\$10\$uyzkvmwrECJvyzC/bIBJ6eCp2699Qo/Vhe3MKQwfaaF...	2026-06-02 21:45:42
